Ranked 1st web & app development company in Italy

Clutch

THE MANIFEST

Ranked 6th in the worldwide ranking

freelancer

Lasting Dynamics is a SME that develops software and platforms for partners around the world. The team is currently ranked 1st web & mobile app development company in Italy by clutch.co and themanifest.com, and 6th in the worldwide ranking on freelancer.com.
Born in 2015, it now counts three headquarters in Italy, Gran Canaria (Spain) and Norway.

Technical knowledge and an exquisite agile development process are our value proposition, allowing us to become, time after time, the tech partner of many entrepreneurs around the world.
We currently have partners in Norway, Switzerland, Denmark, U.S.A, Japan, Germany, Italy and more.
